SOMETHING ELSE ABOUT ME

Weakness: Don't have much real experience in this field/ English ability is still limited (TOEIC 595)/ Easily affected by negative arguments... but I'm improving better. Do not have a sharp mind to handle bugs.

Strengths: learn quickly, remember quickly, get along well with colleagues, listen and absorb, have a sense of responsibility at work, have a high ambition and most importantly have a great passion for web/app and art.

Hobbies: Traveling/ Watching horror movies/ Listening to lofi/ Coding website/ Playing football/ Solve math.
